
Obituary - Jim Valliley

Jim was a quiet, unobtrusive person, firm and decisive in decisions as one would expect from a headmaster. He showed great patience within the Circle though whether or not his pupils would agree I do not know.

He married Kay in 1957 and they had three children.

He served the Circle in many ways, not least in doing a double stint as president from 1991 to 1993. His popularity was universal and he died suddenly and unexpectedly three months after his term as President had expired to everyone's loss.

MAY HE REST IN PEACE
