
Obituary - Steve Bailey

A Glaswegian by birth and one of six children he took up accountancy in 1933 , married Ann in 1943 and served in the Army, He became a chartered accountant in 1945.

He was a quiet unassuming man and joined the Association in 1961 in North Lanes, where he served as President and Provincial councillor. In 1972 he joined Knutsford and again served as President and Provincial Councillor. In 1960 he became a dual member with Crewe Circle and later transferred there.

He loved travelling, gardening and wine making and never lost his Glasgow accent. His wife Ann died unexpectedly in 1995 and Steve never came to terms with the loss. Less than a year later he went to join her - we believe happy to do so.

MAY HE REST IN PEACE
