
Obituary - Anthony John Dolan

Tony was an RAF wartime pilot, later a mining engineer, first joining the Catenian Association in Chesterfield. He married Pat in 1950, they had three daughters and a son. The family moved to Knutsford in the early sixties where Tony opened his own business in the supplying and installing of swimming pools.

He transferred to Knutsford Circle and was three times president 1974 and 1985/7. His hobbies were painting and photography but his interest in flying lasted throughout his life and he was a long time member of the Lanes and Derby Gliding Club.

In appearance he was small in stature but big as a family man.

MAY HE REST IN PEACE
